## A letter from Wiggly...

**Wiggly** wants to know if you have been saving your money in a piggy bank, a jar, an envelope or somewhere else in your home? Bring that money into the Credit Union and **deposit** it into your **share** (savings) **account**. Your money is safer in your account than it is at home. No one can steal it, it won't get lost, and you will receive **dividends**. Dividends are extra **money** the **Credit Union** gives you for saving your money with them.

Every three months you will receive a statement showing how much money you have in your account. Remember to bring in your **statements** so you can receive wiggly dollars. You will be given one wiggly dollar for every \$5 you save and you can use your wiggly **dollars** to buy some fun **prizes**.

Remember to check out the googolplex link on our webpage. There are lots of fun games to play!
