

The Wiggly Wire

Wiggly says: "My club is just for kids ages 0-12!"

Winter 2009

This is a special letter just for you. In this letter, **Wiggly** will tell you all about his club.

Wiggly says: "My **club** is a special club that you can only join if you are 12 years old or younger. Once you join my club, you become a **member** of Keystone Federal **Credit Union**. When you save your money at Keystone FCU, you can earn lots of fun prizes." Here is how it works:

-  Ask your mom or dad to bring you to Keystone **Federal** Credit Union and help you deposit (which means "put into") **money** into your savings account. Every time you put \$5 into your account, you earn 1 Wiggly dollar.
-  Every three months, you and your parents will receive a letter called a statement, which will let you know how much money you have put into your **savings** account for those months.
-  Then, with your parents, bring your **statement** into Keystone FCU. Tell them they can visit the building in West Chester or Downingtown, whichever one is closer for them.
-  When you bring in your statement, the helpful people at **Keystone** FCU will stamp it, and then give you one Wiggly dollar for every \$5 you have put into your account during those three months.
-  Now comes the best part--you get to use your Wiggly **dollars** to buy fun prizes right here at the Credit Union!
-  Tell your friends about it. They can join in the fun, too!

See if you can unscramble these words:

gylwig _____

yemon _____

szprie _____

nnuoi _____

gnsisva _____

tdrcei _____

bucl _____

mnrbee _____

tsmentaet _____

darefle _____

eyknesot _____

salrlod _____

Hint: If you look through Wiggly's letter, the answers are written in green.
